Plein Air Review. The Committee reviewed the Plein Air agenda. Postcards were distributed to the Committee; rack cards should be ready in a week. Design is continuing on the Main Street banner and tent banner. The Committee decided to not pursue any promotional items this year beyond the tote bag for the artists. Tom will be working on ordering the bags with the current logo. Victoria is working on distributing a press release to local media outlets. Two of the volunteers for the children's event will not be able to help with the project. The Committee discussed the event and how best to assist Cheryl in the planning.

Notes from the May meeting were reviewed and no changes were made.

Temporary Art Display. Victoria, Paul and Courtney reported on the meeting with Patti Schwarz and Deb Greer who run the Chelsea Sculpture Walk. They will be submitting a quote to provide the same service for Dexter. One idea that was discussed is incorporating a garden with each sculpture in conjunction with the Dexter Garden Club to add a unique element to the display. They will be submitting a proposal for the July meeting.

Public Art Updates. The Art Selection Committee will be meeting on June 19, 2014 to consider the bicycle sculpture, the proposals for the LaFontaine sculpture and the Lion's Club sculpture if the design is ready. The base for the troll has been installed and the troll will be installed by the end of the month. The fish mobile has been installed along Mill Creek.
