Plein Air Review. The Committee reviewed the Plein Air agenda. A few tickets have been sold for the Evening with the Artists, sales should pick up as our advertising gets out there. We have received \$2000 in corporate sponsorship and \$200 in in-kind sponsorship. A couple more donations are still anticipated. The Children's program on Wednesday will be cookies and canvass. 2 classes of 25 children each will be able to participate for free. Mike will be handling the tent lighting and PA system.

Notes from the June meeting were reviewed and no changes were made.

Temporary Art Display. The Committee received the quote from Patti Schwarz/Deb Greer. Confirmation on pricing from Midwestern Sculpture Display is necessary to make sure the comparison between the two is consistent. The Committee also discussed the conversation at the Art Selection Committee meeting about making the sculpture outside of LaFontaine part of the temporary display. The ACH Committee will continue discussion of this project after Plein Air.

Public Art Updates. The Art Selection Committee approved the bike sculpture, which will go on the Council agenda once a location is finalized. The troll has been installed and we will be contacting Wendy Baker to see if she is available during Plein Air for a meet the artist opportunity.
