The City of Dexter will be hosting a Community Build Day on June 18th from 9:00am - 6:00pm to construct new playground equipment for Lion's Park. The Community Build will serve as both an effort to improve an existing City park and as a general celebration of Dexter Parks. All are welcome. Food and refreshments will be served to volunteers throughout the day, so please feel free to join us as your schedule allows. The City will be using Sign Up Genius to coordinate volunteers, so please visit the website listed above and sign-up to help out. The Park is located at 7720 Ann Arbor St., adjacent to the Dexter Senior Center. If you would like to receive updates about this event, or would like more information, please contact Justin Breyer, Assistant to the City Manager by e-mail at Jbreyer@dextermi.gov or by phone at 734-580-2234.
