

# The Dexter Geotrail Tracking Log

Welcome to the Village of Dexter and the Dexter Geotrail. This geotrail takes geocachers through the downtown area and surrounding neighborhood to visit each of its seven parks. Each park has a Dexter Geotrail (DGT) geocache.

Within each geocache is a five-digit alphanumeric code. Find the seven geocaches that make up the Dexter Geotrail. Look for the code on the inside of the geocache and record it on this log. Once the tracking log is complete, take it to one of the locations listed and claim a Dexter Geotrail Pathtag!
