## **THE CITY OF DEXTER CITY COUNCIL**

The primary goal of this Town Hall meeting is to provide an opportunity for residents and business owners of the Dexter community to discuss the topic of potential facility upgrades to the City of Dexter City Offices and the City's Fire/Sheriff's Substation. The Dexter City Council and our staff are seeking input on the role these facilities play, the locations of these facilities and how they relate to the services that are enhanced or provided by improvements to these facilities.
